### St Aloisius SMP Health—who we are:

SMP Health - St. Aloisius SMP Health – St. Aloisius (formerly known as St. Aloisius Medical Center) has a rich, winding history that dates back well over 100 years; more than 80 of those years have been with the Sisters of Mary of the Presentation in Harvey. St. Aloisius has a significant economic impact on the region employing 180 FTE employees.

The mission: SMP Health – St. Aloisius, inspired by Jesus, in union with the Sisters of Mary of the Presentation, ministers health to all we serve. Vision Values are: Hope – Creating an atmosphere of trust and confidence; Healing – Caring for body, mind, and spirit; and Hospitality – Welcoming, in a Christ-like way. St. Aloisius includes a 25-bed CAH with various outpatient therapies and services located in Harvey, a Rural Health Clinic (RHC), and a 70-bed skilled nursing facility located as part of the medical center complex. As a hospital, clinic, long-term care, and designated level 5 trauma center, the medical center provides comprehensive care through physicians, nurse practitioners, and consulting/visiting medical providers for a wide range of medical and emergency situations. With approximately 250 staff members, St. Aloisius, along with contracted healthcare agencies housed within St. Aloisius, is one of the largest employers in the region. Services offered include: General and Acute Services Screening/Therapy Services • Acne treatment • Allergy, flu, and pneumonia shots • Blood pressure checks • Cardiac rehab • Clinic • Emergency room • Hospital (acute care) • Independent senior housing • Mole/wart/skin lesion removal • Nutrition counseling • Ophthalmology evaluation and surgery services (mobile) • Pharmacy • Physicals: annuals, D.O.T., sports, and insurance • Sports medicine • Surgical services—biopsies • Surgical services—outpatient • Swing bed services • Botox • Pediatric services—no pediatrician (general family practice sees) • Physical therapy • Lower extremity circulatory assessment • Occupational physicals • Occupational therapy • Sleep studies • Social services • Speech therapy.
