retired from Lake Region State College in 2014. They enjoyed their springs and summers at their cabin at Wood Lake and visiting with friends and family. They loved following Brady's sports teams and cheering for their granddaughters when they played in a variety of sporting events.

Duane and Linda's winters were spent in Arizona at their condo in Arcadia Grove. Duane enjoyed his morning coffee buddies and they loved their walks and exploring new areas. They loved the warm sunshine and the opportunity to swim all year long. They enjoyed their retirement and especially enjoyed each other's company and the many activities they would do together like watching basketball and baseball games, going to the movies, and most of all they enjoyed socializing with their AZ friends.

The Duane and Linda Schwab Family Scholarship Endowment was established in honor of Duane and his love of Lake Region State College to provide scholarships to deserving students so they can continue their pursuit of a college education that will make a difference in their lives.
