

Student Success Scholarship Endowment

*T*his endowment was established in 2016 with an estate gift from Florence Hesser. Born February 12, 1920, Florence was a life-long resident of Devils Lake and a faithful employee of the Montgomery Ward Store for thirty-five years. She died in February of 2016 and directed her final gift should be endowed and used for scholarships for students attending Lake Region State College. Her gift was matched by the North Dakota Higher Education Match Campaign.

This endowment was created with hopes that other generous donors who wish to encourage LRSC students will follow Florence's lead and add their support to the Student Success Scholarship Endowment. Awards are made annually to exemplary students at LRSC. ●
