

# Woodland Resort Scholarship Endowment

Woodland Resort was established in 1988 as a family owned and operated business on the shores of Devils Lake. Originally located in the basement of Walt and Helen Hanson's home, the dining establishment has grown into the current four-season resort that accommodates boat enthusiasts, fisherman, hunters, and tourists alike. A popular tourist destination, it attracts local, state, and national travelers and sportsmen. Established by Kyle and Karin Blanchfield, the **Woodland Resort Scholarship Endowment** provides scholarships for exemplary students at Lake Region State College.
